In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forth-coming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sale is concluded, those of successful bidders being retained.

7. If the amount is not fully paid for by the purchaser on the date of sale, the initial deposit as well as the other monies already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser.

8. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale; and no timber shall be removed from the depot unless a permit is obtained from the Forest Officer in charge of the Depot.

9. Timber purchased should be removed as early as possible and in no case should it be allowed to remain longer than 90 days from the date of sale. Timber not removed after purchase, will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.
